Applicants appreciate the Examiner's allowance of Claims 33-43 and 50-54 of United States Patent Application No. 10/521,697. Applicants submit the record as a whole makes evident the reasons for allowance and that there are additional reasons for patentability not enumerated by the Examiner. While Applicants agree with the Examiner's reasons for patentability to the extent such reasons are consistent with the record as a whole, Applicants do not acquiesce or agree to any characterization of the claims that place unwarranted limitations or interpretations upon the claims, especially to the extent such limitations or interpretations are inconsistent with the claim language, specification or prior prosecution history in this case.

The Director of the U.S. Patent and Trademark Office is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 50-3183 of Sprinkle IP Law Group.

Respectfully submitted,

In response to the Notice of Allowance and Fee(s) Due issued by the Examiner on July 12, 2007, Applicant respectfully requests that the following amendment under 37 CFR 1.312 ("Amendment") be entered to correct the related application information in the specification and a typographical error in Claim 54. Applicant respectfully submits that this Amendment does not introduce new matters and does not raise new issues. While Applicant understands that entry of an Amendment after Allowance is a matter of discretion and not of right, Applicant respectfully requests that the Examiner consider and enter the following changes to the above-identified application.
